FOX RIVER COMMUNITIES

WE WANT TO HEAR FROM YOU ON
HOW TO IMPROVE AREAS AROUND
THE FOX RIVER!

**Thursday,
March 2, 2017
4:30 to 7:00 p.m.**

**Cary Village Hall
655 Village Hall Drive
Cary, IL 60013**

How can the water quality and ecology of the river be improved?

How can the Fox River better accommodate river users?

What improvements to the Fox River area would increase activity in the surrounding communities?

McHenry County Planning and Development is collaborating with Lake County and local agencies, governments, and organizations to create a plan for the Fox River Corridor. The goal of the plan is to increase access to the river, improve environmental quality, and enhance recreational use and river-related commerce.

Please join us on **Thursday, March 2, 2017**, for an open house style kickoff meeting. At this first meeting we want to hear your opinions on the strengths and challenges of the Fox River area spanning from Route 176, in Burtons Bridge, to Cold Springs Road, in Cary. Drop in any time from 4:30 to 7:00 p.m. Everyone is welcome!

To RSVP, contact Katanya Raby-Henry at **khenny@cmap.illinois.gov** or **312-386-8628**.
